1. Publication. The 1954 official Air National Guard Register contains the names of federally recognized officers and warrant officers of the Air National Guard of the various States, territories, and the District of Columbia. All information published herein is current to and including 31 December 1954.

2. Arrangement. The register is arranged in alphabetical order in three sections. The first section is an alphabetical roster of all federally recognized officers and warrant officers. The second section is an alphabetical roster by State of all federally recognized officers and warrant officers. The Third section is an alphabetical roster by State of losses during 1954 of all federally recognized officers and warrant officers.

3. Data. The data shown includes the name of the individual officer, rank, service number, State in which the officer holds his appointment, date of Federal recognition in the grade shown in indicated rank, date of birth, qualification code (see qualification code below), and pay date. The pay date is that date from which longevity is computed. Where military status for pay purposes has been continuous, the pay date is that of original entry or acceptance. Where the service has not been continuous, the pay date is later than the date of initial entry by a period equivalent to the break or breaks in service. Where, in the opinion of the officer concerned, his pay date is improperly shown, a Certified Statement of Service will be furnished Chief, National Guard Bureau, Attention: Personnel Branch, Air Force Division.

4. Qualification Code:

- A. Command Pilot
- B. Senior Pilot
- C. Pilot
- D. Senior Aircraft Observer
- E. Aircraft Observer
- F. Chaplain
- G. Medical
- H. Dental
- I. Veterinary
- J. College Degree
- T. ANGUS option AFROTC Officers.

5. Warrant Officer grades in this Register are coded as shown below:
